- Employment Verification
- UCR
- W9

YOUR INVESTMENT

Our initial set up fee is \$9,999.00. Already have an Authority? We will simply discount your set up packet by \$1499.00

We will pair you with up to 4 Owner Operators in the first year. 4 is the maximum as a new member.

We equip you with policies and procedures to pass along to them to keep everything running smoothly.

Each truck in your fleet is an added cost to your initial packet of \$20,000.

Should you decide to add the maximum number of trucks your total is \$90,000

Weekly trucks average between \$5-\$8k per week. Low end- \$25k monthly. High end - \$32K per month. Times that figure by 4 Low end- 100k -128k per month gross.

As the head of the company, you subtract a percentage of between 10-30% from your Owner Operators as your fee. So let's say you decide to take 20% from your Own Operator who consistently grosses 7k per week. After 1 month you will have profited \$5600 (all profit) from him. Now times that figure by 4!

\$5600 X 4 = \$22,400 per month (ALL PROFIT).

We assemble the business and provide your workforce. Less hassle, more money! Sign up now!
